

Artmap

Skåne is known for its art tours that are usually held twice each year - at Easter and again at Halloween. Why not go on your own tour around our artists' studios and galleries? So enjoyable when there is no rush or schedule to follow, just go whenever it suits you. Visit local sculptors, oil painters, watercolour artists, blacksmiths and much more. Art halls and galleries of all kinds in both urban and rural areas welcome you to visit them and experience their art.
